Dear Friend:

On Sunday, XXXXXth, Dup15q Alliance is hosting a community Believe Walk to raise awareness for dup15q syndrome and we need your help!

Dup15q Alliance provides family support and promotes awareness, research and targeted treatments for dup15q syndrome, a rare genetic disorder. People with dup15q syndrome have extra genetic material from chromosome 15, which causes a variety of symptoms including autism, seizures, developmental delays and low muscle tone.

Here is how you can help. We are looking for sponsors for our walk. In particular, we are requesting monetary donations or donations of XXXX.

We are small nonprofit. The generosity of our supporters is what allows us to work to improve the lives of all those affected by dup15q syndrome. Your donation is tax deductible, as allowed by law, but best of all, it makes a real difference to so many!

For more than twenty years Dup15q Alliance has worked tirelessly to create better tomorrows for those with dup15q syndrome. Recently, we have facilitated the creation of 18 specialty clinics around the U.S., hosted a research symposiums, sponsored research grants, supported regional gatherings, online support groups and countless other activities. For more information, please visit our website at www.dup15q.org.

From all of us at Dup15q Alliance and all of our member families, we thank you in advance for your support.

Sincerely,

Believe Walk Coordinator
